REMARKS

By the present Preliminary Amendment, Applicants have amended independent claim 9, to round out the scope of invention. Support may be found, at least, at page 1, lines 3-14 and Fig. 2.

Entry of the foregoing and prompt and favorable consideration of the subject application on the merits are respectfully requested.

If there are any questions regarding this paper, or the application in general, the Examiner is invited to telephone the undersigned at his or her earliest convenience.

Respectfully submitted,

J. Schwartz
